

Burlington County – On Monday, May 17, 2010 at 6:00 PM, Congressman John Adler will host a Service Academy Open House at the Burlington County College's William K. McDaniel Integrated Resource Center in Pemberton, New Jersey. Congressman Adler's annual workshop gives interested individuals a chance to receive information and ask questions about the U.S. Service Academies' nomination process. Congressman Adler, who has a Service Academy Screening Committee comprised of decorated and ranking veterans, had 11 nominees gain acceptance into U.S. Service Academies last year.

"It is an honor to help the South Jersey and shore area's young people serve our country and become the leaders of tomorrow," said Congressman John Adler, a Member of the House Veterans Affairs Committee. "With over 66,000 veterans and Joint Base McGuire-Dix-Lakehurst in the area, our local families have a long history of service to our great country."

Interested families and guidance counselors are welcome to attend and ask questions to representatives from the U.S. Air Force, Military, Naval and Merchant Marine Academies. Individuals interested in attending should call Cheryl Maitlen at 856-985-2777. RSVP is encouraged, but not required.
